

Stamey's Walk Homeowners Association, Inc.

PO Box 371
Willow Spring, North Carolina 27592

Entertainment Dish Regulations

HOA Covenants

ARTICLE XV

SATELITTE DISHES

Satellite discs having a diameter of 18 inches or less will be allowed within the subdivision which shall not be visible from the street however the location and/or placement of the disc shall be approved by Declarant prior to installation. No other electronic receiving or transmitting equipment will be allowed.

Size Amendment

Amended Regulation per Federal Law allows a 39.37" maximum dimension. ([Telecommunications Act of 1996](#))

Location of Receiving Dish:

While the HOA encourages that dishes be placed as inconspicuously as possible, the dish must be allowed to be placed where it may receive a usable signal and must not extend any higher than twelve feet above the top roof-line of the home, unless an exception is granted by the HOA Board of Directors due to extenuating terrestrial interference.

Contact ACC, for confirmation of the location of the Dish.
